Interview Questions

1. Do you share the cost of rent with someone else? If so, how do you go about getting or receiving a payment for that?
2. Are you the primary payer for services such as gym, streaming services, etc.? If so, do you have other people who use that account?
3. What type of payment method are you most comfortable using? Is there any type of payment methods that you wished other financial apps had?
4. Have you ever had to fully cover costs for a shared service or even cancel the shared service because other participants are not covering their costs?
5. Are there payment apps that you use? If so, are there things you like/dislike about them?
6. Have you used an app that allows you to make monthly payments to people you share fees with? If so, which one. If not, how do you currently do that?
7. How many and which monthly subscriptions do you have that you share costs for?
